Finding Your Blind Spots Using Astrology

BY BARRY ROSEN

A young boy with short brown hair is shown from the chest up, looking upwards and reaching his right arm towards the sky. He is wearing a bright yellow long-sleeved shirt and a black cape that is tied around his neck. He is also wearing large, orange-tinted goggles. The background is a bright, hazy sky. At the top of the image, the text "BY BARRY ROSEN" is written in a serif font, framed by two curved lines.
